## COVID-19

Suffolk Gundog Club plans to hold Retriever and spaniel Field Trials in the forthcoming season. Considering the Kennel Club's 'Operational Plan for the Resumption of Field Trials' and the relevant Government guidelines, the Committee has agreed to implement the measures set out below at all **Suffolk Gundog Club** field trials. These measures are not exhaustive. The Committee may at any point adapt these measures following the completion of a Field Trial specific risk assessment or as necessary to meet updated Kennel Club advice and/or Government guidelines. Any such changes will be displayed.

### General

**Each individual entering has the primary responsibility for his or her own health and wellbeing and any risk factors relating to age or health, or health of close contacts, should be considered before entering an event.**

Government guidelines on social distancing, in force at the time, must be adhered to, whilst at the trial.

All attendees must provide their own face mask, **gloves** and hand sanitiser to use at appropriate times

- **Suffolk Gundog Club** will keep a register of all attendees at its Field Trials ("Attendee Register"). The Attendee Register will contain key contact information reasonably required and will be shared with track and trace if required.
- Spectators and other non-essential attendees will not be allowed to attend **Suffolk Gundog Club** Field Trials this season, unless express permission has been obtained from the Field Trial Secretary in advance
- A Covid Officer will be appointed by the Committee for each Field Trial. This person will be named on the card.
- No one may attend a Field Trial if they reside in an area covered by a local lockdown imposed by the Government/local authority
- Everyone attending a Field Trial must be aware that if they, or anyone in their household, has Covid19 related symptoms or has tested positive for Covid-19 they must not attend the Field Trial and should self-isolate in line with Government advice

- Any individual not following Government guidelines, or who is deemed to be putting the wellbeing of others at risk by the appointed Covid Officer, will be asked to leave the Field trial immediately
- Reasonable efforts will be made to ensure there is enough space around parked vehicles to maintain social distancing
- **Suffolk Gundog Club** will endeavour to ensure that attendees at Field Trials are able to travel around the shoot either on foot or in their own vehicles. However, this may not be possible at some Field Trials. Where it is necessary to use transport provided by the host, announcements will be made on the day as to the necessary arrangements and precautions to be taken
- **Suffolk Gundog Club** will not provide any refreshment to handlers you are asked to provide their own refreshments
